"*And everything empties into white* (Cat Stevens)" - August Lascola

"Very compelling ways of creating borders and liminal experiences. The visitors are the art but they are separated from the art...brilliant!" - Paul Rezac

"I always find a celestial feel with your work. *Awaiting Your Arrival* had just that: dreamy, ethereal, beautiful." - Sue Royce

"Ella, your work invites wandering. I love that. Weather in a frame, or suspended in space, there is always an invitation to more into your work. Thank you for the journey." - Priscilla Bowen

"Very thought provoking!" Sue Mann Dolce
